

September 4, 2024 - Jay Fire District Commissioners Special Meeting

Commissioners present: Morris Coolidge, Kevin Lincoln, Scott McDonald, Matt Miller

Commissioners absent: Kurt Williams

Firemen Present:

Meeting was opened by Matt at 6:33

E-one questions was reviewed.

Questions- were answered

- Don't want door locks- have to according to DOT specs
- Medical cabinet – needs 4 shelves – spec has 1- that would leave 5” between shelves
- Heated LED lights?- checking into it
- Air inlet – is it auto eject? – manual but it can be upgraded
- Shore line – auto eject? – manual but it can be upgraded
- Cab exterior says 8 firefighters – clarify just 6 seats later in specs- can fit 8 but only 6 installed with our bid
- Seats for air pack bottles – are they quick release?- no can be
- Microphone box on pump panel – is it waterproof- yes
- Tank plumbing – why one 3” from tank to pump and not two 4”- 3” will deliver 650 GPM. 4” would require additional require additional air assist. They have never built truck with two 4”. Agree to go with one 3” line.
- Front bumper discharge – 100’ or 200’ of 1 ¾”- depends on whether use single (200) or double (150) jack hose.

Matt made motion to award bid to E-one, Kevin seconded, all in favor. Matt will let Garth at E-one.

Back up cameras – Kevin made motion have Devins will install the cameras, Scott seconded, all in favor.

171 headlight – Kevin Sheehan traced back to wigwag switch. Ask Bill McGreevey possibly fixing it.

Morris made motion to adjourn meeting, Matt seconded, all in favor 7:20 pm
